Environ

Environ was developed by Dr Fernandes, an experienced plastic surgeon in South Africa. The cosmeceutical product (*meaning pharmaceutical and medically formulated*) will not fail to impress. Vitamin A is the cornerstone of Environ, having a corrective effect on the skin. Smoothing, softening and protecting it from the effects of UV radiation and free radicals. So whatever you are looking for, we are here to help you find it.

Environ Facials

lonzyme Vitamin Treatment

Using only the freshest and most active forms of vitamin A, C and lactic acid, this treatment results in the greatest penetration of active molecules through the skin to stimulate collagen production, hydrate, reduce pigmentation, scarring and normalise skin cells. Suitable for all skin types including photo-damaged, mature, dry and young skins. **1 hours 30 minutes**
